Roses (feat. ROZES)

The Chainsmokers

Take it slow but it's not typical
He already knows that my love is fire
His heart was a stone, but then his hands roam
I turned him to gold and I took him higher
But I'll be your daydream
I'll wear your favorite things
We could be beautiful
Get drunk on the good life
I'll take you to paradise
Say you'll never let me goDeep in my bones I can feel you
Take me back to a time when we knew
Hideaway
We could waste the night with an old film
Smoke a little weed on the couch in the backroom
Hideaway
Say you'll never let me go
Say you'll never let me goAh ah ah
Ah ah ah
Ah ah ah
Say you'll never let me go
Say you'll never let me go
Say you'll never let me goAh
Ah
Say you'll never let me goDeep in my bones I can feel you
Take me back to a time when we knew
Hideaway
We could waste the night with an old film
Smoke a little weed on the couch in the backroom
Hideaway
Say you'll never let me go
Say you'll never let me goAh ah ah
Ah ah ah
Ah ah ah
Say you'll never let me go
Say you'll never let me go
