Invidia

ãƒ‡ãƒƒãƒ‰ãƒžã‚¦ã‚¹

My achievements seem so humble
While you're making wine from water
While my hands work the cold soil
All you touch turns into goldAnd I don't want to be like you
I don't want to be like you
It seems like you outrun me every time
I don't want to be you
Why can't I erase you from my mindAll the heroes in the gutter
Finally get their ever after
As they lay their final glance
Upon your ever shining armor
And I don't want to be like youAnd I don't want to be like you
I don't want to be like you
It seems like you outrun me every time
I don't want to be you
Why can't I erase you from my mindLooking from a distance,
the difference seems so small
Has the grass been greener
on the other side at all?I don't want to be like you
I don't want to be like you
It seems like you outrun me every time
I don't want to be you
Why can't I erase you from my mind
