Loved Me Back to Life

Cline Dion

[Celine Dion - Verse #1]
I was walking dead stuck inside my head
You couldn't get out
Turn the lights down
Voices inside were so loudNeed a jump start, catatonia
I couldn't feel, I wish that I could dissapear
The voices inside were so real.But you stood by my side.
Night after night, night after night.
You loved me back to life, life
From the coma, the wait is over
You loved me back to life, life
From the coma, we're lovers again tonight.
Back to life, back to life, back to life, back to life, yeahWarm me up one touch I'm on fire
Love me back to life, back to life, but I died.
The voices inside were so quiet.But you stood my side
Night after night, light up the night
You loved me back to life, life
From the coma the wait is over.
You loved me back to life, life
From the coma, we're lovers again tonight.Strong hands, thick skin, and an open heart
You saw through the pain, saw through the mask
You never gave up on me, yeah[Outro]
You loved me back to life, life
From the coma, the wait is over.
You loved me back to life, life
From the coma, we're lovers again tonight
Back to life, back to life, back to life, back to life
Back to life. backt to life, back to life, back to life
Yeah....
