It was a beautiful day
Up to the point that you came my way
Right now there ain't no more to say
Words couldn't communicate
What I feel in me
A fuse just blew in my head
This vacuum in my belly feels heavy like led
Yau hush hush hush hush jau
'you're bigger than that'
'guess you're right but I wish I had click
To stick to his neck[Chorus]
[Bridge]
That's how I feel I hope you feel my way (x2)
I hope that that's ok (x4)
That's how I feel I hope you feel no way
I hope that that's ok[Verse]
Wrong place wrong time
You don't believe in God
But you would believe in a nine
Why can't you just be cool sometimes'
Keep your hate to yourself

And we'd be fine[Chorus]
