That's the Way Love Goes

Randy Travis

I've been throwing horseshoes over my left shoulder
I've spent most all my life searching for that four-leafed clover
Yet you ran with me chasing my rainbows
Now Honey, I love you too and that's the way love goes.That's the way love goes, babe, that's the music God made
For all the world to sing it never gets old, it grows
Losing makes me sorry, you say "Honey, now don't worry
Don't you know I love you too and that's the way love goes."Thats the way love goes, babe, that's the music God made
For all the world to sing it never gets old, it grows
Losing makes me sorry, you say "Honey, now don't worry."
Don't you know I love you too and that's the way love goes.Now honey...Don't worry
