## The Bitter End (Junior Sanchez Output Remix)

## **Placebo**

Since were feeling so anesthetized

In our comfort zone

Reminds me of the second time

That I followed you home

We're running out of alibi's

On the second of may

Reminds me of the summertime

On this winters daySee you at the bitter end

See you at the bitter endEvery step we took that synchronized

Every broken bone

Reminds me of the second time

That I followed you home

You showered me with lullabies

Had you walking away

Reminds me that its killing time

On this fateful daySee you at the bitter end

See you at the bitter endFrom the time we intercepted

Feels a lot like suicide

Slow and sad, getting sadder

Arise a sitting mine

See you at the bitter endI love to see you run around

And i can see you now

Running to me

Arms wide out

See you at the bitter end

Reach inside

Come on just gotta reach inside

Heard your cry

Six months time

Six months time

Prepare the end

See you at the bitter end
