Starlight

Mudboy

Hearts are racing at the speed of light,
Eyes are opening and rolling right,
Sinking feeling it's almost like,
It wouldn't matter if we died tonight.
We are beautiful, breakable,
We're gonna lose it all to the light.
Cause in time,
We all burn as one,
In the sun,
In the sky,
Like a shooting star,
It's just who we are.
Pushing, pushing, pulling, moving on,
A sense of freedom we've been hanging on,
I've cut the chord and now it won't be long,
Before we find out where it's coming from.

We are beautiful, breakable,
We're gonna lose it all to the light.
Cause in time,
We all burn as one,
In the sun,
In the sky,
Like a shooting star,
It's just who we are.
Are you with me?
We are beautiful, breakable,
We're gonna lose it all to the light.
Cause in time,
We all burn as one,
In the sun,
In the sky,
Like a shooting star,
It's just who we are.
