Leaving here

The Vacant Lot

Hey, fellas, have you
Heard the news? Oh yeah
The women in this town
Have been misused, oh yeah
Yeah, I seen it all
In my dreams last night, oh yeah
Girls leaving this town
'Cause you don't treat 'em right, oh yeah
Oh, take a train, take a train
Fly by plain, fly by plain
Yeah, gettin' tired, gettin' tired
Yeah, sick and tired, sick and tired
All you fellas
Better change your ways, oh yeah
Yeah, leaving this town
In a matter of days, oh yeah
Girls are good
You better treat 'em true, oh yeah
I seen fellas runnin' around
With someone new, oh yeah
Oh, gettin' tired, gettin' tired
Sick and tired, sick and tired

Yeah, leavin' here, leavin' here
Oh, leavin' here, leavin' here
Oh, leavin' here, yeah, yeah, yeah
Oh, leavin' here, been a while
Oh yeah, oh yeah, oh yeah, oh yeah
The love of a woman
Is a wonderful thing, oh yeah
The way you treat 'em
Is a crying shame, oh yeah
I tell you, fella, yeah
It won't be long, oh yeah
Before these women
They all have gone, oh yeah
Yeah, gettin' tired, gettin' tired
Sick and tired, sick and tired
Yeah, take a train, take a train

Fly by plain, fly by plain
Yeah, leavin' here, yeah, yeah, yeah
All leavin' here
Leavin', leavin', all leavin' here now
Baby, baby, baby, please don't leave here
