Enough

Natalie Grant

Here where the silence speaks
Here in the great unseen
Here when the answer's out of reachHere I will brace my heart
Here I will brave the dark
Here find You singing over me
I am known, I am seen
I am carried by the One who won't forsake me
I am held, I'm not alone
And I know that You will never let me goYour unfailing love, Your unfailing love
It's all I have, it's all I need and it's enough
Your unfailing love, Your unfailing love
It's all I have, it's all I need and it's enough
It's all I have, it's all I need it's enoughHere I'll let faith collide
With fear, knowing I will find
You are only good, and only kind
I am known, I am seen
I am carried by the One who won't forsake me
I am held, I'm not alone
'Cause I know that You will never let me goYour unfailing love, Your unfailing love
It's all I have, it's all I need and it's enough
Your unfailing love, Your unfailing love
It's all I have, it's all I need and it's enough
It's all I have, it's all I need it's enoughIn my weakness you are closest
When I'm heavy and heartbroken
Still You whisper every moment
You are mine when the storm is finally over
And the Heavens are wide open
Still You whisper every moment You are mineYour unfailing love, Your unfailing love
It's all I have, it's all I need and it's enough
Your unfailing love, Your unfailing love
It's all I have, it's all I need and it's enough
It's all I have, it's all I need it's enoughYou're all I have
You're all I need
You are enough
