Nymphomaniac

Xuman

VERSE 1
There were changes in your blood
You could know it from the start
Uuuu
Plenty hair of the dog
You could find it in the fog
Uuuu
There were changes in your blood
To keep you warm
There were changes in your blood
To guide you home

PRE-CHORUS
Donâ€™t keep it in yourself
Donâ€™t feel so shy
Donâ€™t miss the only toy
You never tried
You turn mesmerizing
Youâ€™re so denying
Nymphomaniac grows in you

CHORUS
To hide in
Better where youâ€™ve been to
Letters of your secrets
Drowning in the water
Nearby

VERSE 2
Shadows hanging all around
Falling gently on your gown
Uuuu
Pinions move all alone
They donâ€™t care of what you own
Uuuu
I could state that in your heart
You feel so cold
I could state that in your heart
Youâ€™re running fold
