This Is Our Moment

Mikeschair

This is our moment
This is our momentDo you believe
Something is happening
That could change everything
Can you see
More than the typical
All of the miraclesLet's open our eyes
See outside of the lines
Arms open wideLife is now
This is our moment
Hear the sound
Of hope that is callingNo more waiting
The door is open
This is our
This is our moment
This is our momentWe are free
Free to be so much more
Anything's possible right now
What we need
Everything we are not
Found in a living GodSo let's open our eyes
Draw outside of the lines
Arms open wide
Arms open wideLife is now
This is our moment
Hear the sound
Of hope that is callingNo more waiting
The door is open
This is our
This is our moment
This is our momentTo move, to reach
To rest, believe
To use our hands and feet
To love, to change
To live, to chase
To give everythingTo move, to reach
To rest, believe
To use our hands and feet
To love, to change

To live, to chase
To give everythingThis is our moment
This is our momentLife is now
This is our moment
Hear the sound
Of hope that is callingNo more waiting
The door is open
This is ourThis is our moment
This is our moment
This is our moment
This is our momentDo you believe
Something is happening
That could change everything
