Crummy Stuff

Tough

I had enough, I had it tough
I had enough of that crummy stuff
I had enough of that crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy, crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy, crummy stuff
I had enough, I had it rough
I had enough of that crummy stuff
I had enough of that crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy, crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy, crummy stuff
Crummy music, crummy TV
Crummy people, crummy movies
Like a cat caught up the tree
This could only happen to me
I had enough, I had it rough
I had enough of that crummy stuff
I had enough of that crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy, crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy, crummy stuff
I had enough, I had it rough
I had enough of that crummy stuff
I had enough of that crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy, crummy stuff
Crummy, crummy, crummy, crummy
Crummy, crummy, crummy, crummy

Crummy, crummy, crummy, crummy, crummy stuff
