Silver Bells

Neil Diamond

City sidewalks, busy sidewalks
Dressed in holiday style
And in the air
There's a feeling of Christmas
Children laughing
People passing
Meeting smile after smile
And on ev'ry street corner you'll hear
Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them ring
Soon it will be Christmas dayYes, I remember
The silver bells of my youth
From the streets of Brooklyn
They rang up through my window
And made me smileStrings of street lights
Even stop lights
Blink a bright red and green
As the mallers rush home
With their treasuresHear the snow crunch
See the kids bunch
This is Santa's big scene
And above all this bustle
You'll hear, sing it now
Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them ring
Soon it will be Christmas day
One more now
Soon it will be Christmas day
