Combos And Skittles

Relient K

So this is how the story goes.
I want everybody to know.
We love Skittles and Combos.
So bring some to our next show.From our head down to our toes.
We love Skittles and Combos.
So if you want to see our faces glow
Just bring some to our next show.Don't ask how much.
Refusing Skittles.
I admit those words hurt a little
But we know it'll be okay
if you just let some our way
