Crush

Noise Ratchet

Ohh, doo, doo, doo, doo, doo, dooYou know everything that I'm afraid of
And you do everything I wish I did
Everybody wants you, everybody loves youI know I should tell you how I feelin'
I wish everyone would disappear
And every time time you call me, I'm just scared to be me
And I'm too shy to sayOoh, I got a crush on you
I hope you feel the way that I do
I get a rush, when I'm with you
Ooh, I got a crush on youYou know, I'm the one that you can talk to
And sometimes you tell me thing that I don't wanna know
I just want to hold you and you say exactly how you feel about her
And I wonder, could you ever think of me that way, ohh
(Bop, bop, bop, bop)Ooh, I got a crush on you
I hope you feel the way that I do
I get a rush, when I'm with you
Ooh, I got a crush on youOoh, I wish I could tell somebody
But there's no one to talk to
Nobody knows I've got a crush on youDoo, doo, doo, doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo, doo, dooI got a crush on you
I hope you feel the way that I do
I get a rush, when I'm with you
Ooh, I got a crush on you
I got a crush on youI got a crush on you
I hope you feel the way that I do
I get a rush, when I'm with you
Ooh, I got a crush on you
I got a crush on you
