Come Out Clean

Jump, Little Children

I'm gonna do a series of em yeah just go ahead and roll it
okay 1 2 3 4 12 3 4 1 2 3 4oil painted portrait of still life
a moving image with patience just lie still
a chemical illusion break it down
a moment fallen to pieces fallen down
some things do last forever i won't goCHORUS
i wanna live in a magazine
i wanna go in cheap and come out clean
i wanna live in a magazine
i wanna be obscure with a girl obsceneirrestible canvas rayon eyes
imaginary invention can you tell?
unbelievable likeness get closer
a candy coated solution smells like film
some things do last forever i won't goCHORUSdon't try to take me down
cuz you know I won't go
I don't give a damn about it anymore
I won't go o
(repeat)a sentimental position hold that thought
an emotional gesture let it go
an enamel persona residue
a scientific religion break it down
some things do last forever I won't goCHORUS x2some things do last forever I won't go
