The Devil

Jason Charles Miller

As soon as I'm left alone
The Devil wanders into my soul
And I pretend to myself
And I pretend to myself
I go out to the old milestone
Insanely expecting you to come there knowing
That I wait for you there
That I wait for you there
Come, come
Come here at once
Come, come
On a night with no moon
Because all of my being
Is now in pining
All of my being
Is now in pining
What finally cheered me
Now seems
Insignificant
Insignificant
