Say Goodbye

Joy Williams

I saw you today
My familiar stranger
Everything's changed
You have come so far
You're different now
Would you go back, would you want to anyhow

[Chorus]
Say goodbye, say goodbye
To the you I knew before
Say hello, say hello to a new beginning
Say goodbye, say goodbye
To the you I knew before
This is your genesis

Face to face
The present and past collide
And it's no mistake
I see the future is in your eyes
You seem so free
Like nothing's ever gonna keep you down

[Chorus]

You're different now
You're different somehow
You're different now

[Chorus]

Say goodbye, say goodbye
