Hypnotise

McFly

I feel like I've been here once before
You threw my bags out through the
Door and in the Road
I came home to find them on the floor
And as the rain began to poor
I got coldAnd I tried to compromise
But you keep telling all these lies
Now I don't get to say my
Last goodbyes()
Goodbye to you've been wastin
All my time
Your no longer mine
Now you've left me
I can't seem to get you off my mind
Thats when I realised you had me hynotizedWhy am I now living on my own
She keeps inviting people home all the time
Why am I still paying for her phone
When all the luxuries she owns should be mineNow I start to wunder why
You shrug me off when I say hi
You treat me so bad
Despite how hard I try[Chorus]Girl you can't hold me back no more
Your not even worth me writing lyrics for
We had something good together
Do you think you were being clever
To throw me out in awfull weather
How do I forget you nowI can't get you off my mind
That's when I realised you had me hypnotised[Chorus]
