You're gonna put me on the road to ruin  
Hey babe, why the sorrow?  
'Cause you're here today and gone tomorrowHey babe, whatchu say?  
Drive me mad if you had your way  
Don't you know that you had some taken?  
Don't your mother know where you went today?Bet your mama don't know whatchu doin'  
I bet she don't, I bet she don't  
I bet your mama don't know 'bout me  
And I bet she don't know what I seeI bet your mama don't know whatchu doin'  
I bet she don't, I bet she don't  
'Cause if she knew what you were doin'  
You could never go home, you could never go homeHey babe, whatchu say?
