Thank You

Coalesce

If the sun refused to shine
I would still be loving you
When mountains crumble to the sea
There will still be you and meKind woman, I give you my all
Kind woman, nothing more
Little drops of rain, whisper of the pain
Tears of love lost in the days gone byMy love is strong
With you theres no wrong
Together we shall go until we die
My, my, my, myAn inspiration is what you are to me
Inspiration, look and seeAnd so today, my world it smiles
Hand in mine, we walk the miles
Thanks to you it will be done
For you to me are the only oneHappiness, no more be sad
Happiness, no moreIf the sun refused to shine
I would still be loving you
If mountains crumble to the sea
There would still be you and me
