The evil that men do (live '01)

Iron Maiden

Love is a razor and I walked the line on that silver blade Slept in the dust with his daughter, Her eyes red with the slaughter of innocence But I will pray for her, I will call her name out loud I would bleed for her, if I could only see her now Living on a razor's edge, balancing on a ledge Living on a razor's edge, balancing on a ledge Balancing on a ledge, living on a razor's edge Balancing on a ledge, you know, you know The evil that men do lives on and on The evil that men do lives on and on The evil that men do lives on and on The evil that men do lives on and onCircle of fire my baptism of joy at an end it seems The seventh lamb slain, the book of life opens before me And I will pray for you, someday I may return Don't you cry for me, beyond is where I learnLiving on a razor's edge, balancing on a ledge Living on a razor's edge, you know, you know The evil that men do lives on and on The evil that men do lives on and on The evil that men do lives on and on The evil that men do lives on and onLiving on a razor's edge, balancing on a ledge Living on a razor's edge, you know The evil that men do lives on and on The evil that men do lives on and on, yeah The evil that men do lives on and on The evil that men do lives on and on The evil, the evil that men do The evil, the evil, the evil that men do
