# You Still Got Me

## Doug Supernaw

Writers: Doug Supernaw/Kenny KingI just called to say hello, I hope everything's alright
Me, I'm doin' fine, but I still can't sleep at night
I finally had a good day just last week
At least the best one since you've gone
But it kills me when I hear, "When's Mamma comin' home?"Chorus:
And I know that there are somethings
You feel that you've been missing
I tried to be your Superman
I've done all I can
Still you feel the need to spread your wings
But darlin' if you're listening
When the world ain't all you thought it would be
You still got meI live everyday a lie and tell the kids that it's alright
And I see alot of you in them when I tuck'em in at night
Try hard not to be too weak, for one of us must be strong
And it kills me when I'm there lyin' all alone
