Sledge-Hammered Heart

Totalselfhatred

No more dreams to fulfill - in this life that holds still - I have lost the light in my life
Why can't I see - it was all a dream - have I lived in a lie - that I made myselfAll the lies behind my smiles - they say that true love never dies... but you will...
All that we shared feels like a lie - I wish that I could turn back time - to the point when it all was fine
Let me be a part of this dream - all that we used to be
I am all alone - when it all falls apart - no one to catch when I fall
All the dreams have faded away - in a world where love has ceased to exist
Take my heart and let me die - just take my heart but let me die
