The Apple

RaeLynn

I remember bliss was ignorance
Love was without risk of consequence
I shoulda listened when they told me not to
But you were leaning in I didn't stop you
So innocentThen I ate the apple
And kissed you
Bit into the mystery
And everything just started to unravel
Cause I ate the apple
And loved it
For a minute
I was in it
But I didn't know a heart could be so fragile
Till I ate the apple
Till I ate the appleYou were sweet and that was all I saw
At 10 pm right up against the wall
I wasn't one to give into temptation
I guess you never know until you taste it
I took the fallWhen I ate the apple
And kissed you
Bit into the mystery
And everything just started to unravel
Cause I ate the apple
And loved it
For a minute
I was in it
But I didn't know a heart could be so fragile
Till I ate the apple
Till I ate the appleI'll fall in love someday but in someway I'll still be yours
I'll never see the world again the way I did beforeI ate the apple
And kissed you
Bit into the mystery
And everything just started to unravel
Cause I ate the apple
And loved it
For a minute
I was in it
But I didn't know a heart could be so fragile
Till I ate the apple

Till I ate the appleTill I ate the apple
Till I ate the apple
Till I ate the apple
Till I ate the apple
