surgery

husband&wife

Be what I can't be
To these boys
For I fall short
Of your glory
Help me
For I am inconsistent
And inconsistency is not what they need

But your steady pulse that breathes life
Into all things
Lord, help them to see
Help them to see

Give them courage
When they're fearing
Reassure them
When their doubting
Give them faith through
All their questioning, Lord
Show them the love
That only you can

Through your steady pulse that breathes life
Into all things
Lord, help them to see
