## **Yesterday Threw Everything at Me**

## **Athlete**

Switch on the light, between each other
Elevated to your side, Now I'm nervous
It's time to tell you honestly, so we can alter historyYou are, first on my list,
When everything around is gone I know
You are, first on my list,

When everything is shown up for what it is Plastic flowers that fight for color Shadows floating on the ground, that always follow Like international acclaim, it comes and goes never the same You are, first on my list,

When everything around is gone I know

You are, first on my list,

When everything is shown up for what it is And I will run with it

And sunlight will break into my eyes

And it seems like you plugged the world in

'cause sunlight is streaming from your eyesYou are, first on my list,

When everything around is gone I know

You are, first on my list,

When everything is shown up for what it isLet's take our time, it won't change over night

We got a chance we didn't have before

Let's take our time, it won't change over night

We got a chance we didn't have before You are, first on my list,

When everything around is gone I know

You are, first on my list,

When everything is shown up for what it is
