Russian Lullaby

Dienst&Schulter

Where the dreamy volga flows
There's a lonely russian rose
Gazing tenderly
Down upon her knee
Where a baby's brown eyes glisten
ListenEv'ry night you'll hear her croon
A russian lullabyJust a little plaintive tune
When baby starts to cryRock-a-bye my baby
Somewhere there may beA land that's free for you and me
And a russian lullaby
