Soul On Fire

Spencer Day

Oh, look at me now
So gladly stranded
You took me past the point of no return
I know this is my fate, my heart's been branded
You strike a match and the world starts to burnYou set my soul on fire
Set my soul on fire
Set my soul on fire tonightOh come lay me down across the embers
Stirring desires that can't be tamed
As I cry out your name in sweet surrender
Everything I am now is yours to claimYou set my soul on fire
Set my soul on fire
Set my soul on fire tonightYou set my soul on fire
Set my soul on fire
Set my soul on fire tonightYou set my soul on fire
Set my soul on fire
Set my soul on fire tonight
