What I Want

The City Harmonic

May my life speak louder than words
And what Iâ€™m saying
Is "Jesus, Iâ€™m sure Youâ€™re what I want"
Yeah, thatâ€™s what I want

These words ainâ€™t cheap, no, they bleed on the page.
I see what Iâ€™ve been and that needs to change
And thatâ€™s what I want
Yeah, Youâ€™re what I want
Haâ€“laâ€“laâ€“lelujah, yeah
Hallelu
Haâ€“laâ€“laâ€“lelujah, oh yeah
What I want is You

I want to sing, sing and mean every word
'Cause what Iâ€™m singing is "Joy to the world"
And thatâ€™s what I want, yeah,
Thatâ€™s what I want

So go on sing, sing, all of heaven and earth
But donâ€™t just sing, be, and be every word
Thatâ€™s what I want, yeah,
Thatâ€™s what I want

Haâ€“laâ€“laâ€“lelujah, yeah
Hallelu
Haâ€“laâ€“laâ€“lelujah, oh yeah
What I want is You

(Hallelujuah, Hallelujah, Hallelujah, Hallelujah)

Haâ€“laâ€“laâ€“lelujah, Hallelu
What I want is You.
