Loving Me Back To Life

Geri Halliwell

I've been looking for love in all the wrong places
Different names, familiar faces
I've watched the moon go through its phases
But now I love myself enough to sayIt's time to let you go
Gotta let my feelings show

Don't wanna say goodbye, I wanna thank you

For loving me back to lifeDo you keep yourself warm with the bridges you're burning

Another day gone but what are we learning

Thank God for the young, they keep the world turning

To win the war is not to play the gameIt's time to let you go

Gotta let my feelings show

Don't wanna say goodbye, I wanna thank you
For loving me back to lifeLove to live, live to love, let it go
Learn to live, just forgive and we can grow
Love to live, live to love, let it show

Love to live, just forgive and now I knowThere's no gold beyond the rainbow But everybody needs to dreamIt's time to let you go

Gonna let my feelings show

Don't wanna say goodbye, I wanna thank you

It's time to let you go

Gonna let my feelings show

Don't wanna say goodbye, I wanna thank you

For loving me back to life For loving me back to life
