Why Do I

Golden Earring

From the Albums:
* The hole
* The naked truth
We swing high, we swing low
Never worry 'bout a dull moment
You're mine, I'm yours
We fight while we know that we shouldn't
Ten dollar, ten times
On sale to the highest bidder
Ten dollar, ten times
Is the price of love considered
You're right, I'm wrong
You always knew a good thing in the first place
One sundown, one moondown
One hole in a sky-blue ceiling
Ten dollar, ten times
Everytime you hold the trigger
Ten dollar, ten times
Is the price of love
Why do I, hurt you so
Why can't I just let you go
Why do I, hurt you so
While I idolize you forever more
Your "yes" against my "no"
We never worry 'bout a dull moment
You're mine, I'm yours
We fight while we know that we shouldn't
Ten dollar, ten times,
The price of love
Why do I, hurt you so
