

# Bag It Up (Yomanda edit)

**Geri Halliwell**

I like chocolate and controversy  
He likes Fridays and bad company  
I like midnight, it's when I'm in the mood  
He likes the morning, that's when he's rude  
Just a bad case of opposite sex  
Have to look to the stars  
All we need is a little respect  
Cos Men are from Venus and Girls are from Mars  
Bag It Up  
Don't drop the baby  
Boot him out  
No buts or maybe  
Wind him up  
And make him crazy  
Take him back  
Don't drop the baby  
Spin him out  
No buts or maybe  
Do your thing  
Come on lady  
I don't take sugar on my colour TV  
But he likes it loaded with Eye Candy  
I need some space and he needs a room  
But then he keeps me waiting by leaving too soon  
Treat him like a lady  
Treat him like a lady  
Tease him, please me, chase me yeah  
You know what to do  
Now you're in control  
Who's wearing the trousers now..
