Goodbye to Grace

Dog's Eye View

You, without saying anything had shown
I without doing anything had thrown it all away
Down the laundry chute, the cute little words and melodies
Won't save me now, now that it's gone this farAnd we've said goodbye
Said goodbye
Said goodbye to grace
Goodbye to graceI was waiting for a witness and you were just waiting
For the door to open up and set you free from this mess
You turned your back
Said I don't know anything 'bout loveAnd you said goodbye
Said goodbye
Said goodbye to grace
Goodbye to graceWell, well, well we washed ourselves clean of all feeling
We were feeling good and then both got scared
Of ourselves and each other
You know we bailed out, we don't live here anymoreAnd we said goodbye
Said goodbye, said goodbye
Said goodbye to grace
Goodbye to grace
Said goodbye to graceSaid it's alright, it's alright
It's alright ah, it's alrightHaven't I seen you?
Haven't I seen you lookin' away?
Now, now, now
