...Neverending...

David Crowder Band

Neverending always, You will never end
Because Youre always neverending
You were there before there was beginning
Always You were, You are neverendingHere You are now with us
Here we are, found in YouAnd this makes all the difference
This changes everything
Making our whole existence
Worth something, so we singLa la la la
La la la laNeverending always, You will never end
Because Youre always neverending
You were there before there was beginning
Always You were, You are neverendingHere You are now with us
Here we are, found in YouAnd this makes all the difference
This changes everything
Making our whole existence
Worth something, so we singOh You make all the difference
Yeah, You change everything
You make our whole existence
Worth something, so we singLa la la la
La la la la
La la la la
La la la laLa la la la
La la la la
La la la la
La la la laLa la la la
La la la la la
