Peaceful

Okay

No matter what you say
No matter what you know
It's all goin' to stay
And it's all goin' to go

No matter what you say
No matter what you know
It's all goin' to stay
Or it's gonna go

It's gonna go bye, bye, bye, bye...
...bye, bye, bye
You got my attention
Bye, bye, bye...
...bye, bye, bye
You need some more attention
Bye, bye, bye...
...bye, bye, bye
You got my attention
Bye, bye, bye...
...bye, bye, bye
You need some more attention
You need some more attention
You need some more attention

oh, oh, oh
