

# Track 6

## Shawn Mendes

You say it's not supposed to be  
Tell me not to waste my time  
This was never up to me  
But if it was I wouldn't mind  
And I'm trying to ignore you  
I try to go on with my day, hey  
But I still pick up the phone, yeah  
And get lost in what she say I can try to stop it, all I like  
Hands down I've lost this fight  
Thought I was strong, enough for you  
But I just can't hide the truth  
So I guess I'm going down  
I guess I'm going down, like this And I love it how she's honest  
You don't find that nowadays  
She's not even drop dead gorgeous  
But she kills me anyway, oh I can try to stop it, all I like  
Hands down I've lost this fight  
Thought I was strong, enough for you  
But I just can't hide the truth I guess I'm going down  
I guess I'm going down  
I guess I'm going down like this I can try to stop it, all I like  
Hands down I've lost this fight  
Thought I was strong, enough for you  
But I just can't hide the truth  
I can try to stop it, all I like  
Hands down I've lost this fight  
And I thought I was strong, enough for you  
But I just can't hide the truth  
So I guess I'm going down, like this
