Cry Just A Little Bit

Shakin' Stevens

Every time you have to whisper goodbye
Well I cry just a little bit (cry just a little bit)
I know it's crazy and I don't know why
But I die just a little bit (die just a little bit)I need to be the one that's by your side
Your the beat in my heart
My love for you is something I can't hide
And I cry just a little bit (cry just a little bit)
Cry just a little bit (cry just a little bit)Every night before I'm falling asleep
Well I pray just a little bit (pray just a little bit)
I pray nobody wants your loving to keep
And you'll stray just a little bit (stray just a little bit)Don't let temptation fill your heart with dreams
Don't let your mind run away
Forbidden love is never what it seems
And you cry just a little bit (cry just a little bit)
Cry just a little bit, little bit, little bitYour the light that brightens all of my days
And the sun shines above you
And I would die if someone took you away
Cause I love you
Love You(Cry just a little bit,
Cry just a little bit)I want forever to be you and I
And that's the way it should be (Ooooh-ohhh-0hhh)
I Look for you and baby that is why
I cry just a little bit (cry just a little bit)
Cry just a little bitEvery night we have to whisper goodbye
I cry just a little bit (cry just a little bit)
I know it's crazy and I don't know why
But I die just a little bit (die just a little bit)[Repeat: x6]
Cry (cry)
Cry
Cry just a little bit
Cry just a little bit
