Fight For Your Mind

Ben Harper

If you're gonna live, then live it up
And if you're gonna give, then give it up
If you're gonna walk the earth, then walk it proud
And if you're gonna say the word, you got to say it loudSaid, you got to fight, fight, fight for your mind
You got to fight, fight, fight for your mind
While you got the time
You got to fight, fight, fight for your mindIf you're gonna build a house, make it a home
If you're gonna pull some weight, oh, pull your own
If you're gonna help, man just reach out your hand
If you're getting up, then take a standSaid, you got to fight, fight, fight for your mind
You got to fight for your mind
While you got the time
You got to fight, fight for your mindNow, if you're gonna step, step on in
If you're gonna finish, you got to begin
Don't you fear, what you don't know?
Just let that be, your room to growSaid, you got to fight, fight, fight for your mind
Ohh, your mind
While you got the time
You got to fight, fight, fight for your mind, mind, mind
