SomethingÂ´s Coming

Yes

Could be, who knows?
There's something to any day
I will know right away, soon as it showsIt may come cannonballin' down the sky
Gleam in its eye, bright as a rose
Who knows?It's only just out of reach
Down the block, on a beach
Under a treeI got a feeling there's a miracle due
Gonna come true, coming to meCould it be? Yes it could
Something's coming
Something good, if I can waitSomething's coming
I don't know what it is
But it is gonna be greatWith a click, with a shock
Phone will jingle, door will knock
Open the latchSomething's coming
I don't know what it is
But it is gonna be greatAround the corner
Or whistling down the river
Come on, deliver to me, to meCould be, who knows?
There's something to any day
I will know right away, soon as it showsIt may come cannonballin' down the sky
Gleam in its eye, bright as a rose
Who knows?It's only just out of reach
Down the block, on a beach
Under a treeI got a feeling there's a miracle due
Gonna come true, coming to me, to me[Incomprehensible]
Could beTonight
