Soul Poison (Live 2012)

Dew-Scented

Behold the emptiness divine
Shapeless eyes of blind, cold as ice
The weakness of the flesh shines through
In final premonitionSoul poison
Numbing, numbing, numbing out
Soul poison
Numbing outShadows of existence
Salvation of the spirit nevermore
Portraits of dilution
Betrayal of the body falls in placeAbsent-minded
Hear my inner criesHiding from the demons of the self
Fragments to display, dread within
The affliction of the wish in prime
In perfect isolation
I do resignSoul poison
Numbing, numbing, numbing out
Soul poisonI resign
Soul poison
I resign
Soul poisonI resign
Soul poison
I resign
Soul poisonShadows of existence
Salvation of the spirit nevermore
Portraits of dilution
Betrayal of the body falls in placeBehold the emptiness divine
Shapeless eyes of blind, cold as ice
The weakness of the flesh shines through
In final premonition
