

Tokyo (Metalbox Remix)

Athlete

I am Tokyo
I am here
I am blazing lights
On your street.I'm an upstart
Bound to cross you
I'm the hypocrite
By your sideShe won't forget
And I won't forgetAnd no one around could tell us apart
Cause we want out something
And where something heartI am Tokyo
I am here
I am neon signs
On your streetI'm an army
Of winter vines
Marching over your countrysideAnd she won't forget
And I won't forgetAnd no one around could tell us apart
Cause we ruined something
And where something heart.There's never enough time
Only, only
Glove off, something bridge.Pin prick to the heart
Can it go
I meant every sparkAnd no one around could tell us apart
Cause we ruined something
And where something heart.We're burning through town
Like there's nothing to lose
Cause we something
Something by heart... oh!
