I'm No Superman

Scrubs Theme Song

Out the door
Just in time
Head down the 405
Gotta meet the new boss by 8 am

The phone rings in the car
The wife is workin hard
She runnin late tonight again

Well I know what I?ve been told
U gotta work to feed the soul
But I can?t do this all on my own
No I know
I?m no superman
I?m no superman

And you've got your love online
U think you're doin fine
But you?re just plugged into the wall

And that deck of tarot cards
Won?t get u very far
There ain't no hand to break your fall

Well I know what I've been told
U gotta know just when to fold,
But I can?t do this all on my own
No I know
I?m no superman
I?m no superman

You?ve crossed the finish line
Won the race but lost your mind
Was it worth it after all?

I need u here with me
Cause love is all we need,
Just take a hold of the hand that breaks the fall

Well I know what I?ve been told

Gotta break free to break the mold
But I can?t do this all on my own

No I can?t do this all on my own
No I know
That I'm no
Superman
I?m no superman
I?m no superman

(Some day well be together)
I?m no superman
(Some day)
(Someday well be together)
(Someday)
I?m no superman
