She Might She Might

Milow

She's too blue-eyed possibly
Then again she couldn't be
One two she knows kung fu
Three four kicked in my door
Five six I can't believe it
What a mess I'm inShe might she might
She might shake up everything I am
She might she might
She might make me do the best I can
Oh what has she done
Oh she might be her
She might be the oneI'm in too deep probably
Then again how could I be
One two she just cut through
Three four what an uproar
Five six she pulls me out
And throws me to the windHer eyes are shining like a midnight sun
Oh the countdown has begun
Five four three two one
