One Step Too Far

DJ Tokeo

You can sleep forever but still you will be tired
You can stay as cold as stone but still you won?t find peace
With you I feel I?m the meek leading the blind
With you I feel I?m just spending, wasting time
I?ve been waiting
I?m still waiting
I?ve been waiting
I?ve been waiting
I?ve been waiting
I?m still waiting
I?m with you
It?s always one step too far
You can walk too far
But still you won?t be found
You can look down on the world
But still you won?t find love, you won?t find love
Only with mellow
Are you thin enough to slide through
If the sun or the moon should give way to doubt
They would immediately go out
One swallow don?t make a summer
But tomorrow must start somewhere
Only with mellow
Are you thin enough to slide through
Don?t let nothin? ride you
One swallow don?t make a summer
I?ve been waiting
I?m still waiting
I?m with you
It?s always one step too far
I?ve been waiting
I?m still waiting
I?ve been waiting
I?ve been waiting
I?ve been waiting
I?m still waiting
I?m with you
It?s always one step too far
One step too far

One step too far
One step too far
