Lullaby

Kevin Ayers

Kris: I'm sorry...
Feel like I've got something to say
But it's stuck in my head
Can't let it go...
You know how much I care for you and love you
Don't ever let me go
Please... Mom...
I love you.
Kevin: I know it's been,
So rough for me these past few years
I know it's just been,
Struggle and stress
I wrote this for you mom.
Kris: Hey, Mom
I know sometimes I beg
I fought with you, I hurt you
But deep inside I love you
So much indeed
I'd rather die than to see you leave
Just give me one more chance... please...
Kevin: Last night I woke, dope.
Burning the streets.
Suspended, cause my minds in the hall
Tears crawling silent
Sayin' "what's up to my pride"
And I hate to see that your eyes started
Shreddin' like cancer
I become the cause of the devil inside.
Kris: I know...
I used to say I'll be a good kid
But every time I leave, your tears fall out
It's like that rainy days never end
And I'll never get back to my head, oh god please...
Kevin: Seven years in the making
And its been rough, not for me
But for you, I'm sure
When I'm blind too,
Us with all minds are lives too shh.
Don't hush

I promise, there's always light
At the end of darkness
Listen to my voice
(and witness)
Kris: I'll smile...
Don't wanna see you cry
Just sing me a lullaby
I'll cry for you, to see your smile
This will be my lullaby x2
