Catch the Rainbow

Rainbow

When evening falls
She'll run to me
Like whispered dreams
Your eyes can seeSoft and warm
She'll touch my face
A bed of straw
Against the raysWe believed
We'd catch the rainbow
Ride the wind to the sunSail away on ships of wonder
But life's not a wheel
With chains made of steel
So bless meCome the dawn
Come the dawn
Come the dawn
Come the dawnWe believed
We'd catch the rainbow
Ride the wind to the sunAnd sail away on ships of wonder
But life's not a wheel
With chains made of steel
So bless me, oh, bless me, bless meCome the dawn
Come the dawn
Come the dawn
Come the dawn
