Chain Reaction (Live 1993)

Drivin' N' Cryin'

Talk! Talk! Talk!There's a cold-hearted whisper
from house to house it blew
a wicked chain reaction
in a rumored neighborhood
There's a bell chiming freedom
I heard it as a child
I couldn't resist the ringing
in my ears all the whileChorus -
Chain Reaction
Everybody's talkin'
Chain ReactionIn the morning comes a silence
as he wakes up from his sleep
it takes a thousand tomorrow's
to wake up in a dream
He puts to bed the front page
of his underground magazine
It started out as poetry
but turned into a screamChorus -
Chain Reaction
Everybody's talkin'
Chain ReactionCan't get no satisfaction
running 'round with a chain reaction
I got myself so
Tuned!So!The rythm is infectious
it's got all the people jazzed
Are you groovin' to the message
or do you just want to dance?
If everybody has one
then everyone wants two
Well I put my glass to the wall in the fall
and I guess I found out nothin' at allChorus -
There's a Chain Reaction
Everybody's talkin'
There's a Chain ReactionChain Reaction
Everybody's talkin'
Chain ReactionCan't get no satisfaction
running 'round with a chain reaction
I got myself soChain ReactionEverybody's talkin'!
Everybody's talkin'!

Everybody's talkin'!I got the chain reaction
I got the chain reactionEverybody's talkin'!
Everybody's talkin'!Talk! Talk! Talk! Talk!
