Disregarding

Virgos Merlot

Someone should have told me when I was younger
Life was only learning how to lose
Now IÃ‚Â´m older and so much stronger
And I only feel IÃ‚Â´m being abused

And now my hands move slower and
slower in pain
And, oh my mindÃ‚Â´s going over and over again

My God my soul is dead
ItÃ‚Â´s ringing in my head
Disregarding what you said
I fall farther down instead

I hold my hands out only hoping
For what I truly deserve
I draw back nothing
Only a promise
And I donÃ‚Â´t know what thatÃ‚Â´s worth
