Cheer

Neung Phak (Mono Pause)

Its been so long since I had a smile
Stayed sad for such a long while
If you can cheer me up, I could learn to love you
You kiss me now and I turn away
I think I'm still kissing yesterday
If you can cheer me up, I could learn to love you
Love me, cheer me up
Show me you're the one who can make me happy
Love me, cheer me up
Show me you're the one who can make me happy
Cheer me up
Come on and Cheer me up
Don't want to spend the rest of my days dreaming yesterday's daydreams, no.
Out with the bad and in with the good
You feel my heart girl, you're knocking on wood
If you can cheer me up, I could learn to love you
So generous, I'm being kind
With selfishness in the back of my mind
If you can cheer me up, I could learn to love you
So love me, cheer me up
Show me you're the one who can make me happy
Love me, cheer me up
Show me you're the one who can make me happy

Cheer me up
Come on and cheer me up
I don't want to spend the rest of my days dreaming yesterday's daydreams.
Don't want to spend the rest of my days giving yesterday's promises.
Its been so long since I had a smile
I've stayed sad for such a long while
If you can cheer me up, I could learn to love you
No more giving my mind away
Tomorrow's love will be yesterday
If you can cheer me up I could learn to love you
Love me, cheer me up
Show me you're the one who can make me happy
Love me, cheer me up
Show me you're the one who can make me happy
Cheer me up

Come on and Cheer me up
I don't want to spend the rest of my days dreaming yesterday's daydreams.
Don't want to spend the rest of my days giving yesterday's promises.
Don't want to spend the rest of my days living yesterday.
Don't want to spend the rest of my days singing yesterday's love songs, no.
Come on and cheer me up
